

## THE FIRST STEP

to baby's health must be taken before baby's birth. The child can have no more health than the mother gives it. A healthy mother, strong of body and cheerful of mind, will endow the child with her own physical health and cheerful disposition. Many a wife who had dreaded motherhood because of past experiences of prenatal misery of mind and body has found a new era open to her with the use of Dr. Pierce's Favorite Prescription. It gives physical strength, soothes the nerves, and induces refreshing sleep. It gives vigor and elasticity to the organs of maternity, so that the birth hour is practically without pain or suffering. It enables the mother to provide a plentiful supply of healthful nourishment for the healthy child. It makes weak women strong and sick women well.

There is no alcohol in "Favorite Prescription" and it is absolutely free from opium, cocaine, and all other narcotics. Sick women are invited to consult Dr. Pierce by letter free of charge. All correspondence strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

"I gladly recommend Dr. Pierce's Favorite Prescription," writes Mrs. J. W. G. Stephens, Mills, Northumberland Co., Virginia. "Before my third little boy was born I took six bottles. He is the strongest child and has been from birth and I suffered very much less than I did before in confinement. I unhesitatingly advise expectant mothers to use the Favorite Prescription."

Dr. Pierce's Pleasant Pellets are a pleasant and effective laxative medicine.

## WAS IT ALVORD?

### A Skull Found Identified As that of Alvords

The Phoenix Enterprise says:—Mose Drachman and Herbert Drachman of Tucson and J. L. Pernet, Artunkle's representative in Mexico, arrived in the city this morning. They will transact business today and go-quail hunting tomorrow. These gentlemen, in company with Kid Wilding, were duck hunting near Casa Grande on Tuesday. One and a half miles this side of the Florence reservoir, Mose Drachman discovered the skull of a man who had been dead presumably two or three months. The Enterprise says the skull was taken to Casa Grande, where Jack McCoy and others identified it as that of Burt Alvord, the highwayman who held up the Southern Pacific train and later escaped from the Tombstone jail in company with Billy Suiles and Bravo John. It is formally supposed that Alvord was killed and the finding of this skull verifies that theory. The skull was identified by a black tooth and a scar or fracture on the skull. This somewhat clears up a mystery as to what became of Burt Alvord, the peace officer who turned highwayman.

### IT HAPPENED IN A DRUGSTORE.

"One day last winter a lady came to my drug store and asked for a brand of cough medicine that I did not have in stock," says Mr. C. K. Grandin, the popular druggist of Ontario, N. Y. "She was disappointed and wanted to know what cough preparation I could recommend. I said to her that I could freely recommend Chamberlain's Cough Remedy and that she could take a bottle of the remedy and after giving it a fair trial if she did not find it worth the money to bring back the bottle and I would refund the price paid. In the course of a day or two the lady came back in company with a friend in need of a cough medicine and advised her to try a bottle of Chamberlain's Cough Remedy. I consider that a very good recommendation for the remedy." It is for sale by the Tombstone Pharmacy.

## NEW CITY COUNCIL

### The Retiring Council and Incoming Administration

On Thursday night the old city council met for the last time, in their official capacity, presenting their final reports and ready to turn over the municipal affairs to the new incoming council. Mayor Emanuel in addressing the retiring council reviewed the good work of the members during their term in effecting a clean and economical administration, citing the report of Treasurer Cummings which showed the city was in healthy financial condition and able to meet its every obligations. In this respect it is interesting to know that the city in the two years of the present administration received from taxes, licenses and all revenues, including a cash balance of \$537.29 from previous board, amounted to a total of \$5537.42. Of this the disbursements amounted to \$4774.85 leaving a cash balance for the new council of \$762.57.

After the retirement of the old council the new city staff, comprising the following personnel were installed:—Mayor A. H. Emanuel; Councilman First Ward, Jos. McPherson; Second Ward, B. Hutton; Third Ward, A. Ashman; Fourth Ward, Wm. Cavanaugh. The new council was duly sworn in by Judge Jas. Reilly and after a preliminary discussion and cordial welcoming by Mayor Emanuel, adjournment was had until last night when officers were elected:—Wm. Cavanaugh being elected Secretary and B. Hutton Treasurer, while appointment of several committees were made and the new city regime thus fairly and auspiciously started.

"For two years all efforts to cure Eczema in the palms of my hands failed," writes Editor H. N. Lester, of Syracuse, Kan., "then I was wholly cured by Bucklen's Arnica Salve." It's the world's best for Eruptions, Sores and all skin diseases. Only 25c at the Tombstone Pharmacy.

The social had at Mining Exchange hall on Thursday night in honor of Rev. Elliott was a most enjoyable event. The hall was crowded with people and was indeed a flat-ringing testimonial to the high regard, esteem and popularity in which Rev. Elliott is held by our people. Coffee and cake was served with a generous hand. Music, singing general sociability and good cheer prevailed while several novel features of the evening, delightfully impromptu—that of the cake auction and cake walk—were also much enjoyed. The cake was awarded to Jas. Walsh as highest bidder and the winners of the cake walk gave the distinction to the Miras. Ella Blackburn and Edith Robertson. The singing of Lucy Wolcott won deserved applause while the melodious choruses in which all joined was entered into with a hearty vim. Altogether the social was a thorough success.

Torturing skin, eruptions, bumps and sores are soothed at once and promptly healed by applying DeWitt's Witch Hazel Salve, the best known cure for lies. Beware of worthless counterfeits.
